CENTRAL LARKSPUR SPECIFIC PLAN COMMITTEE

Steering Committee Meeting #8

*Fellowship Hall
Redwoods Presbyterian Church
110 Magnolia Avenue*

March 16, 2000
7:30-9:30PM

AGENDA

- 7:30 **1. Welcome**
- Agenda Overview
 - February 17 Meeting Notes
 - Committee Update

7:15 **2. Planning Options**

Tom Cooke, Planning consultant for the project, will continue his presentation of planning options for the various properties in the project area. These options are not alternative plans. They are specific ideas that could be combined in various ways to form alternatives. Once a list of possible options has been developed, the Committee will assess the options to determine which should be used to develop alternatives. The purpose of tonight's discussion is to identify other options that the Committee would like to have assessed. Suggestions from the public on options that should be included on the list are invited.

9:25 **3. Next Steps**

The next regular meeting date is April 20, which is Passover and Holy Thursday. The Committee will discuss an alternative meeting date.

9:30 **4. Close**
